

# 100% PASTURE RAISED ANGUS BEEF

This grass-fed Angus beef is free range and pasture raised 365 days a year on family farms in New Zealand. It's marbled, tender and delicious with a clean yet bold beef flavor.

All cuts are graded for consistent sizes & a high level of quality, ensuring chefs can count on getting the same great product case after case.

This beef is raised without antibiotic or hormone growth promotants. GMOs are illegal in New Zealand. All non-portioned cuts are certified Halal.
